Sub: Letter of Consent

Sir,

I **Rajesh Kannan S**, father of **Vijay Rajesh R** Reg.No **23BAI10917** student of B.Tech – Artificial Intelligence and Machine Learning course at VIT Bhopal University and resident of **Krishnagiri, Tamil Nadu** do hereby permit my son to attend the student experiential learning programme to be conducted at

Chennai (27-Oct-25 to 31-Oct-25) & Bangalore (03-Nov-25 to 07-Nov-25).

I undertake that:

1. I assure full responsibility for the safety, discipline and code of conduct during the stay, programme proceedings and travel for my son during the entire duration of the programme. We understand that it is our sole individual responsibility and shall not hold the VIT Bhopal University responsible in any way for this.
2. I recommend my daughter/ward to stay at University recommended venues / local guardian's or relative's houses. (This is only for girl students if you have recommended a local guardian's or relative's house; please fill up details for 3).
3. The details of local guardian's / relative's house where my daughter/ward will be staying during the programme.

4. I assure you that
- my son shall follow all the guidelines, and SOPs given by the University for the programme.
 - my son will attend all the sessions organized by the University with proper discipline.
 - my son will strictly follow all SOPs of VIT Bhopal University experiential learning.
 - my son will not indulge in any unethical activities, violate the rules and regulation which will defame the name of VIT Bhopal University failing which we accept the University action on the same.
